STATEMENT OF JURISDICTION

7. This action arises under the Communications Act of 1934, as amended, 47 U.S.C. §§ 553 and 605 in Texas.

VENUE

8. Venue is proper in this District because Defendants reside in this District.

STATEMENT OF THE CLAIM

9. Authorization to License Event. Plaintiff is the license company authorized to sub-license the closed-circuit telecast of the December 6, 2008 "The Dream Match": Oscar De La Hoya v. Manny Pacquiao Welterweight Championship Fight Program, including undercard or preliminary bouts (collectively the "Event") at closed-circuit locations such as theaters, arenas, bars, clubs, lounges, restaurants and the like throughout Texas.

10. The closed-circuit broadcast of the Event was not intended for the use of the general public. In Texas, the closed-circuit broadcast of the Event could only be exhibited in a commercial establishment, if the establishment was contractually authorized to do so by Plaintiff.

11. Pursuant to its authority to sub-license the Event, Plaintiff marketed and distributed the closed-circuit rights granted to it. Plaintiff, through its agents, contracted with various establishments throughout Texas and granted such establishments the right to broadcast the Event in exchange for a fee.

12. Exhibition of the Event. The transmission of the Event was electronically coded or "scrambled." In order for the signal to be received and telecast clearly, it had to be decoded with electronic decoding equipment.

13. The transmission of the Event was available to Defendants to purchase for broadcast in the Establishment. Had Defendants chosen to purchase the Event, Defendants would have been authorized to receive, transmit and publish the Event in the Establishment. Defendants did not, however, contract with Plaintiff or any of its agents, to obtain the rights to broadcast the Event.

14. The establishments which contracted with Plaintiff to broadcast the Event were provided with the electronic decoding capability and/or satellite coordinates necessary to receive the signal of the Event.

15. On December 6, 2008, Defendants willfully intercepted and/or received the interstate communication of the Event. In the alternative, Defendants assisted in the receipt of the interstate communication of the Event. Defendants then transmitted, divulged and published said communication, or assisted in transmitting, divulging and publishing said communication, to patrons within the Establishment.

16. Defendants misappropriated Plaintiff's licensed exhibition of the Event and infringed upon Plaintiff's exclusive rights while avoiding proper payment to Plaintiff. Defendants' actions were committed willfully and with the express purpose and intent to secure a commercial advantage and private financial gain.

17. Defendants enabled the patrons within the Establishment to view the Event to which neither Defendants nor the Establishment's patrons were entitled to do.

18. The persons whom Defendants permitted to view the Event would otherwise have been able to view it at a commercial establishment only if said commercial establishment was properly licensed and authorized by Plaintiff.

19. Defendants were not authorized to intercept, receive or transmit the communication of the Event or to assist in such actions in any form or at any time.

COUNT I

VIOLATION OF 47 U.S.C. § 553

20. Defendants' wrongful actions in connection with the Event, as described above, violate 47 U.S.C. Section 553.

COUNT II

VIOLATION OF 47 U.S.C. § 605

21. Defendants' wrongful actions in connection with the Event, as described above, violate 47 U.S.C. Section 605.
